

## The Ceremony for new factory of PT. Indosarana Lokapratama

The ceremony for new factory of PT. Indosarana Lokapratama has been done without a hitch on March 23, 2016. At this moment we are doing the business with Japanese car maker mainly not only Suzuki, Honda, Daihatsu and so on but also aftermarket. We do expect to expand the business with them more under the new factory from now on.
